

SESSION REPORT

**GEON
SESSION NO.3**

Date: 27/09/2019
Place: Hassan
Timings: 2:00pm to 3:30pm

A report by Manasa B L

Session Synopsis:

Participants came to know about Fritzing and it's working.

Session Topics:

1. Introduction to fritzing
2. Working on fritzing

Session Description:

1.Introduction to Fritzing

Session was started by giving an introduction to fritzing and the use of it. Participants came to know more about fritzing and the components present.

2.Working on Fritzing

Fritzing softwares were installed to the laptops and the working was explained. Participants tried to make different circuit connections using the tools.

Session Outcome

Students were able to make the different circuit connections by themselves.
