Engineer's Day Celebrations	
GEON	Date:13/09/19 Place:GECH Timings:2:00pm to 5:00pm

Event name : Techie Train

Rounds:

1.General test
2.Memory testing
3.App designing

Event Description:

1. General Test : Manasa B L , Rachana R, Janavi Raj

This was a qualifying round. Participants were given ten questions and asked them to answer within 5 minutes. Around 75 students participated and 60+ students were qualified to the next round.

2. Memory Testing: Bharath, Sanjana, Rakesh, Sowmya,Meghana

The participants were showed a series of components and were given ample amount of time to remember it properly.
Later they have to cross the buzzer round without touching wire. After finishing this , they have to arrange the components
In same order which was shown earlier.

3. App Designing: Chinmayee, Chandhan, Likhitha

Participants were told to design the logo of their own app in the sheet of paper provided along with the app name and its features within 10 minutes. This was judged by our seniors Chandhan and Chinmayee.

Event Outcome: Participants enjoyed a lot and the event was successful.
